

DB Sales Adds Wilo Pumps to product line

GARDEN GROVE, CA, January 5 2012 — DB Sales announced Thursday that it is now offering Wilo pumps to its clients. Wilo is a high quality German engineered pump company at the cutting edge of leading energy efficiency technologies and the market leader in ECM (Electronically Commutated Motor) motors.

The high efficiency pumps produced by Wilo meet all requirements of modern, forward-looking building services. Their pumps set new standards with up to 80% power savings.

“Wilo has some of the highest efficiency pumps on the market and we are very proud to be offering their exceptional products,” says Steve Mertz, owner of DB Sales.

About DB Sales

DB Sales is a leading representative firm for HVAC and plumbing products, serving southern California since 1978. The company is distinguished by the expertise of the sales personnel, with a consultative approach that delivers the best total solution to each client. They are focused on partnering with manufacturers that offer environmentally responsible and resource-efficient solutions. They are a licensed service contractor and factory certified for all the equipment that they sell. DB Sales also has a machine shop where they rebuild most Rotary Screw Compressors and Pumps to factory specifications. www.dbsales.net
