

## The Whalen Company Products Added to DB Sales' Lineup

June 15, 2013 GARDEN GROVE, Calif. – DB Sales announced that it has added The Whalen Company products to its lineup of commercial and industrial HVAC solutions. The Whalen line includes Riser Fan Coil Units, Room Fan Coil Units, Water Source Heat Pumps, and 50/50 Four Pipe Systems.

The Whalen Company was established in 1962 by James Whalen and is based in Easton, Maryland. Whalen is known for its patented vertical riser heat-exchanger fan coil units, and high efficiency heat pumps with the smallest footprint in the industry. The products are especially well suited for the smaller footprint requirements of multi-story heating and cooling increasing efficiency, increasing open space with their small footprint and high efficiencies

“We are pleased to offer these products from a company that has continued to build on the successes of its forward-thinking technology,” says Steve Mertz, DB Sales president.
