

## **DB Sales continuing sales and service for steel tube hot water boilers and steam boilers following the sale of Ajax Boilers**

*December 4, 2014 GARDEN GROVE, Calif.* – DB Sales is continuing to provide sales and service for the Ajax Boiler-brand steel tube hot water boilers and steam boilers, products that have been discontinued by Ace Heating Solutions following its recent acquisition of the Ajax Boiler company.

Steve Mertz, president of DB Sales, said, “Ajax Boilers has been a well-regarded company for many decades. We have a strong inventory of parts and factory-trained service technicians to support all the discontinued Ajax Boiler products. Additionally we offer sales and support for the full product line offered by Ace Heating Solutions.”

“DB Sales will continue to provide new replacement boilers for all existing Ajax boilers and for new applications,” continued Steve. “Additionally, rebuilding and retube services are available for Ajax Boilers.”

To learn more about the Ajax Boiler services that are provided, visit the [Ajax Boiler web page](#).

### **About DB Sales**

DB Sales is a leading representative firm for a full line of boiler, industrial equipment, HVAC, and plumbing products, serving greater Southern California and beyond since 1978. DB Sales partners with manufacturers that offer environmentally responsible and resource-efficient solutions. The company is distinguished by the high-efficiency equipment expertise of the sales personnel, with a consultative approach that delivers the best total solution to each client.

They are a licensed and factory-certified service contractor, providing maintenance and repairs, including 24 hour emergency service, to any industrial or commercial company regardless of manufacturer type or original installer. DB Sales also has a machine shop where they rebuild most rotary screw compressors and pumps to factory specifications. [www.dbsales.net](http://www.dbsales.net)
