

Ajax Boiler, with 90 Years of Experience, Added to DB Sales' Line Card for Boiler and Water Heating Products

April 1, 2014 GARDEN GROVE, Calif. – DB Sales' newest manufacturing partnership is with Ajax Boiler, further expanding the breath of boiler options available for sales and service by DB Sales.

Ajax Boiler, Inc. designs and manufactures a comprehensive line of boiler and commercial water heating products. With over eight decades of experience, the company offers high quality, heavy duty products with a reputation for reliability, serviceability, and cost-effective operation.

Steve Mertz, president of DB Sales, said, "Ajax is a leader in the Southern California market, supplying boilers for healthcare, breweries, industrial, institutional and commercial applications. They are also the market leader in semi-instantaneous heat exchangers and clean steam generators."

"By adding Ajax to our lineup of boilers, we are able to offer our clients maximum choice of product for installation and for service," Steve stated.

More information on DB Sales' [boiler products and boiler service](#) can be found on the company website.

About DB Sales

DB Sales is a leading representative firm for a full line of boiler, industrial equipment, HVAC and plumbing products, serving Los Angeles, Orange, Riverside, and San Diego Counties since 1978. The company is distinguished by the high-efficiency equipment expertise of the sales personnel, with a consultative approach that delivers the best total solution to each client.

DB Sales partners with manufacturers that offer environmentally responsible and resource-efficient solutions. They are a licensed service contractor and factory certified for all the equipment that they sell. DB Sales also has a machine shop where they rebuild most Rotary Screw Compressors and Pumps to factory specifications. www.dbsales.net
