

DB Sales Announces Sales and Service Relationship with Caleffi Hydronic Solutions

November 15, 2014 GARDEN GROVE, Calif. – DB Sales announces a new sales relationship with Caleffi Hydronic Solutions, which specializes in hydronic systems, solar thermal and other renewables, and specialty plumbing.

Steve Mertz, president of DB Sales, said, “Caleffi is a leader in hydronic specialties, solar thermal and renewables, and plumbing specialties. They make all the products that make the hydronic system work. A great benefit to our customers from our partnership with Caleffi is the excellence of their training and education.”

To learn more about Caleffi and other hydronic and steam systems available from DB Sales, visit the DB Sales web page. A list of Caleffi technical education is available [HERE](#).

About DB Sales

DB Sales is a leading representative firm for a full line of boiler, industrial equipment, HVAC, and plumbing products, serving greater Southern California and beyond since 1978. DB Sales partners with manufacturers that offer environmentally responsible and resource-efficient solutions. The company is distinguished by the high-efficiency equipment expertise of the sales personnel, with a consultative approach that delivers the best total solution to each client.

They are a licensed and factory-certified service contractor, providing maintenance and repairs, including 24 hour emergency service, to any industrial or commercial company regardless of manufacturer type or original installer. DB Sales also has a machine shop where they rebuild most rotary screw compressors and pumps to factory specifications. www.dbsales.net
