

DB Sales & Service Brings Broad Range of Ice Air Products to So Cal

February 1, 2016 GARDEN GROVE, Calif. – DB Sales announces a new sales relationship with Ice Air, a HVAC original equipment manufacturer with over 40 years of experience developing and manufacturing a wide variety of HVAC units.

Steve Mertz, president of DB Sales, said, “Ice Air provides superior heating and cooling systems for new construction and replacement applications. Its high quality equipment is durable, quiet, and environmentally sound. DB sales & Service is very proud to add Ice Air to our product line.”

DB Sales & Service is factory-authorized by Ice Air for sales, installation, and service. We will advise clients on the best product selection and installation method, depending on the building construction and application.

About DB Sales

DB Sales is a leading representative firm for a full line of boiler, industrial equipment, HVAC, and plumbing products, serving greater Southern California and beyond since 1978. DB Sales partners with manufacturers that offer environmentally responsible and resource-efficient solutions. The company is distinguished by the high-efficiency equipment expertise of the sales personnel, with a consultative approach that delivers the best total solution to each client.

They are a licensed and factory-certified service contractor, providing maintenance and repairs, including 24 hour emergency service, to any industrial or commercial company regardless of manufacturer type or original installer. DB Sales also has a machine shop where they rebuild most rotary screw compressors and pumps to factory specifications. www.dbsales.net
