

## **DB Sales Adds RECO USA Heaters for High Efficiency Systems**

*December 5, 2016 GARDEN GROVE, Calif.* – DB Sales and Service continues to expand its line of high efficiency systems through a new partnership with RECO USA Heaters.

Steve Mertz, president of DB Sales, said, “Condensing boilers are becoming more prevalent in the marketplace because of their higher efficiency. RECO USA’s counterflow heat exchanger technology for package semi-instantaneous heat exchangers is an excellent part of a high efficiency condensing boiler system design. DB Sales is very pleased to sell and support the RECO USA products.”

DB Sales & Service is factory authorized by RECO USA for sales, installation, parts, and service.

### **About DB Sales**

DB Sales is a leading representative firm for a full line of boiler, industrial equipment, HVAC, and plumbing products, serving greater Southern California and beyond since 1978. DB Sales partners with manufacturers that offer environmentally responsible and resource-efficient solutions. The company is distinguished by the high-efficiency equipment expertise of the sales personnel, with a consultative approach that delivers the best total solution to each client.

They are a licensed and factory-certified service contractor, providing maintenance and repairs, including 24 hour emergency service, to any industrial or commercial company regardless of manufacturer type or original installer. DB Sales also has a machine shop where they rebuild most rotary screw compressors and pumps to factory specifications. [www.dbsales.net](http://www.dbsales.net)
