

DB Sales Adds Bryan Boilers to Product Line

February 6, 2017 GARDEN GROVE, Calif. – DB Sales and Service is now representing Bryan Boilers, which makes the largest high-pressure steam boiler permitted in California without a mandatory boiler attendant.

Steve Mertz, president of DB Sales, said, “We are very pleased to offer Bryan Boiler products to our customers. They have been inventing and manufacturing commercial boilers for more than 100 years, and are the market leader for commercial water tube boilers”.

“DB Sales offers a wide range of boilers; the addition of Bryan Boilers provides us with expanded opportunities for serving our clients. “

DB Sales & Service is factory authorized by Bryan Boilers for sales, installation, parts, and service.

About DB Sales

DB Sales is a leading representative firm for a full line of boiler, industrial equipment, HVAC, and plumbing products, serving greater Southern California and beyond since 1978. DB Sales partners with manufacturers that offer environmentally responsible and resource-efficient solutions. The company is distinguished by the high-efficiency equipment expertise of the sales personnel, with a consultative approach that delivers the best total solution to each client.

They are a licensed and factory-certified service contractor, providing maintenance and repairs, including 24 hour emergency service, to any industrial or commercial company regardless of manufacturer type or original installer. DB Sales also has a machine shop where they rebuild most rotary screw compressors and pumps to factory specifications.
